PETITION TO REVIVE UNDER 37 C.F.R. §1.137(b)

Sir:

The prior assignee of the above-captioned application, IPIX Corporation, commenced Chapter 7 bankruptcy proceedings on July 31, 2006, at which time a trustee was appointed to administer IPIX's assets. A Notice of Allowance and Fees due was sent on September 28, 2006. Throughout the bankruptcy proceedings, the application was mistakenly identified as requiring no action; therefore, the application became abandoned for failure to pay the issue fee in response to the Notice.

On February 22, 2007, the application was purchased in bankruptcy by Sony Corporation. While reviewing files transferred following the bankruptcy sale, it was determined that the status of the application had been incorrectly listed in the bankruptcy materials and that the application had become abandoned.

Upon information and belief, the entire delay up to February 22, 2007 in paying the issue fee was unintentional. Upon knowledge of the undersigned, the entire delay in paying the issue fee after February 22, 2007 was unintentional. Therefore, the entire delay in paying the issue fee was unintentional.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine, imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

The 37 C.F.R. §1.17(m) petition fee of \$1540, the issue fee of \$1440, and any other fees due are authorized to be charged to the deposit account of Kenyon & Kenyon LLP, Deposit Account No. 11-0600.

Respectfully submitted,

Date: November 28, 2007
